The Rainbow flag was designed in San Francisco by Gilbert Baker and was affectionately called "New Glory", when it made its debut. The colors are Purple for Spirit, Blue for Harmony, Green for Serenity, Yellow for Sun, Orange for Healing, and Red for Light. The Flag represents the diversity of the Lesbian, Gay, Bisexual, and Transgendered community and the hope for unification encompassing that diversity.

GILL FOUNDATION

FUNDING GUIDELINES

Information pertinent to grant applicants to the Gill Foundation.
Updated December 1997.

Funding Priorities

The Gill Foundation concentrates funding in the following areas, listed in approximate relation to the foundation's funding priorities:

1. **Gay, Lesbian, Bisexual, Transgendered**
   a. National gay, lesbian, bisexual and transgendered advocacy and education organizations and programs.
   b. Colorado-based gay, lesbian, bisexual and transgendered advocacy, education and social service organizations and programs.
   c. Gay, lesbian, bisexual and transgendered advocacy, education and social service organizations and programs serving constituents outside of major U.S. metropolitan areas. Major metropolitan areas are defined as having an official population of 1.5 million or greater as estimated by the U.S. Census Bureau. Funding requests will be considered in major metropolitan areas where the Gill Foundation's OutGiving Project provides training.

2. **HIV/AIDS**
   a. Colorado-based HIV/AIDS organizations and programs that provide direct client services, education, prevention and public policy with particular focus on education, prevention and public policy.
   b. National HIV/AIDS organizations and programs focusing on education, prevention, public policy and technical assistance for community-based HIV/AIDS organizations.
   c. HIV/AIDS organizations and programs focusing on education, prevention, public policy and technical assistance for community-based HIV/AIDS organizations located outside of major U.S. metropolitan areas. Major metropolitan areas are defined as having an official population of 1.5 million or greater as estimated by the U.S. Census Bureau.

We do not fund clinical HIV/AIDS research; direct client services to community-based HIV/AIDS organizations outside of Colorado; or art programs by, for or about HIV.

Types of Support

The Gill Foundation provides the following types of support:

- General operating; program-specific; seed money; capital support; multi-year grants; matching grants; challenge grants; and events and conferences.
- Infrastructure and technical assistance support will be considered either as a component within an overall grant application or as an individual grant application (keeping in mind an applicant may only apply for funding every twelve months).
- Leadership training, board and/or staff development, fundraising consulting, technology purchases, etc.
- Emergency grants (i.e. grants considered out-of-cycle) will only be considered for grant applicants who have a bonafide reason to apply out-of-cycle that results from circumstances beyond the organization's control. We will not review emergency grant requests out-of-cycle because of an organization's lack of advance planning.
- We rarely fund production expenses for films, books, video, magazines, etc.; however, we occasionally make distribution-specific grants, once production has been completed (and the content of the product fits into a funding priority area).

Additional Information

The Gill Foundation is committed to helping build sustainable organizations with diversified funding. Therefore the following guidelines may be used by applicants to the Gill Foundation:

- Grant amounts generally do not exceed 10%–15% of an organization's total budget.
- Grant amounts generally do not exceed 50% of a project budget.
- First-time grants generally do not exceed $15,000.

Grant Applications

Grant proposals must include the following information:

1. Cover page including: applicant organization's name, name of person submitting proposal, lead contact and title of organization, organization's address, phone, fax and e-mail (if available), exact dollar amount requested, total operating budget, total project budget (if applicable), and table of contents noting page numbers for proposal sections.
2. Brief narrative on purpose and history of the organization and project, including mission statement, recent accomplishments, the need you are addressing, and summary of project for which you are requesting funds. (4 pages maximum)
3. Expected project outcomes with timeline (if known) and plan to monitor and evaluate your success. (1 page maximum)
4. Description of key staff and/or volunteers and list of Board of Directors and their affiliations.
5. Letters of intent from other organizations with whom you propose to collaborate and whose partnership is important for your program's success (if applicable).
6. Three community leaders not directly affiliated with your organization whom we may contact, including name, title, organizational or business affiliation, and phone number.
7. Statement reflecting your greatest weakness or weaknesses, both programmatically and structurally (please refrain from using "funding" as your answer—we are aware that almost all non-profit organizations suffer from a chronic shortage of funds). Your response will not be used against you, so please be honest with your reply.

8. Secondary sources providing alternative perspectives of your organization, for example newspaper articles written about you, testimonials, thank you letters, etc.
9. Financial information including: organizational budget; event or project budget (if applicable); most recent year-end financial statements (audited if available); and description of fundraising activities outlining categories of revenue (i.e. major donors, corporate donors, etc.); and list of other corporate and foundation donors.
10. Copy of your IRS 501(c)(3) determination letter. We do not fund private foundations, individuals or other entities not considered public charities under sections 509(a)(1), 509(a)(2) or 509(a)(3)of the IRS Tax Code.
11. Special notice to 501(c)(3) organizations involved in lobbying activities: include copy of your 501(h) election form.
12. Special notice to local chapters of national organizations: include an overview of how your local organization and the national office will work together.

The Colorado Common Grant Application or the National Network of Grantmakers (NNG) Common Grant Application will be accepted in lieu of the above.

The Gill Foundation requires submission of progress and/or final reports.

Additional Requirements

1. A copy of an official policy from your organization stating that your organization does not pirate software.
2. A copy of an official non-discrimination policy for your organization including sexual orientation.

If you do not have or will not endeavor to obtain both of the "additional requirements", your proposal will not be reviewed.

Sample policies are available through the Gill Foundation office if needed.
